"Working together to advance God's Kingdom"

Volume 62, Issue 1

January / February 2020

Yates Baptist Association is a network of churches working together in mission and ministry for the purposes of church growth and church renewal in the Durham - Chapel Hill Metro area.

Greetings YBA family,

I hope that you had a blessed Christmas and New Year with your family and your church.

We need to have a 20/20 Vision. But what does 20/20 Vision really mean?

When you hear 20/20 vision what do you think of? Many of us use the term 20/20 vision to express the correct or right vision. Although the term is a medical term and has to do with how well you can see at 20 feet away; we have come to think of 20/20 vision as having a clear or precise view. Many of us can remember the Network News show 20/20 which "focused" on a story that needed to be seen more clearly.

As you are reading this article hopefully you've turned your calendar or perhaps bought a new one which has the year 2020 on it. I'm hoping that all of us who are a part of the YBA family will have a clear and perhaps a renewed sense of vision of what God would have us do this year. My prayer is for YBA to be a network of churches who are becoming a missional movement for Kingdom advance, intentionally building relationships that lead to Gospel Conversations, and point people to Jesus.

Did you know that only about 35% of adults have 20/20 vision without corrective lenses, contact or surgery? The truth is that many of us need spiritual corrective lenses or adjustments to help us see clearly how to live out our faith in this new year in a way that honors Christ and advances His kingdom.

Habakkuk 2:2 reads: Then the LORD replied: "Write down this vision and make it plain on tablets so that he who reads it may run." I believe this means we need to have a vision, understand it, and put it into practice.

One area that all of us here at YBA desire to do better in this new year is better communicate both Vision as well as activities and events to all our churches. I am excited about our Communications Team who will be making a new effort to increase and improve our digital fingerprint.

We have a new Website. Please check it out at <https://www.yatesba.org/> We also will be posting information on various media links (Facebook, Instagram, Twitter, YouTube etc.). Be looking out for more updates on various media to increase our media presence. I want to be clear these sites and mediums are just avenues to share info, promote events and better communicate our vision.

A few years ago, our youngest son Caleb and his wife came to visit us in Mexico. We enjoyed showing them some sites. I remember we visited a tourist site called Santa Maria el Tule. There is a huge tree with certain forms within the tree. So, we took a tour from a nine-year-old indigenous Mexican boy who had learned to do the tour in Spanish, English and French. Even though we all spoke Spanish he wanted to practice his English, so he gave us the tour in English. We would walk around one side and he would point and say, "Look, there is an elephant, or look there is a crocodile". There are even faces of famous people, actors or politicians. But after pointing out each shape he would then ask us the question "Did you see?"

My prayer for this year of 2020 is that each day all during this year we will continue to ask ourselves, did we see the vision that God gave us and are we obeying what He's called us to do?

For His glory,  
Marty

**CHURCH ADMINISTRATION  
 IRS issues standard mileage rates for 2020**

The Internal Revenue Service issued the 2020 optional standard mileage rates used to calculate the deductible costs of operating an automobile for business, charitable, medical or moving purposes.

Beginning on January 1, 2020, the standard mileage rates for the use of a car (also vans, pickups or panel trucks) will be:

- ◆ 57.5 cents per mile driven for business use  
(down one half of a cent from the rate for 2019)
- ◆ 17 cents per mile driven for medical or moving purposes, down three cents from the rate for 2019, and
- ◆ 14 cents per mile driven in service of charitable organizations.

The business mileage rate decreased one half of a cent for business travel driven and three cents for medical and certain moving expense from the rates for 2019. The charitable rate is set by statute and remains unchanged.
